Faye Yarroll  
Bilateral Cochlear Implant Recipient

17 July 2008

Dear Faye,

Thank you for your presentation to our Club on Wed. 16<sup>th</sup> July. Your sharing of your story was much appreciated by our members and it is one of the few occasions that I have seen a spontaneous standing ovation afforded to a guest speaker. We are very appreciative of your visit and can confidently recommend your visit to any other clubs or organizations. You are to be commended for your voluntary work in assisting other cochlear implant recipients to adapt to their implants. We wish you well in the future and thank you again for a visit to our Club that shall not be forgotten.

Yours sincerely,

Ron Norman  
President
